

STF Rally for Public Education

Power Hour: A one hour rally in support of public education

Everyone Welcome!

EWSC is encouraging all CUPE locals to attend the rally and bring their friends and families.

(The EWSC is not sponsoring this rally, but we are supporting the STF in the fight for public education.)

CUPE SK has approved the rental of buses and some STF division local associations are also renting buses.

Please contact any member of the EWSC Executive to register or check with your local STF representatives to see if there is a bus leaving from your area.
(No cost, just want confirmed numbers)

***Standing together with the STF to fight
for public education in Saskatchewan***
